E-CELL IITG

INTRODUCING

ALUMNI CONNECT

OUR VISION

One-stop platform for connecting ALUMNI with CAMPUS JUNTA so they could reconnect with and support their alma mater through their professional journey.

STUDENTS

NETWORKING

Generic platforms don't cater to students' specific needs, leading to fragmented and inefficient networking.

GUIDANCE

Students struggle to connect with alumni for valuable career advice due to a lack of awareness and communication gaps.

OPPORTUNITIES

Insufficient resources and accessibility issues limit students' professional growth and readiness for the workforce.

ALUMNI

UPDATES

Lack of consistent communication from the institute to keep alumni informed and engaged.

CONNECTION

Alumni face challenges in networking across different graduating classes due to dispersed and outdated contact information.

OPPORTUNITIES

Alumni struggle with inefficient communication channels and coordination to offer internships, jobs, or mentorship.
